TEMPLATE D

Tablet and Phone Accessibility Settings

Chapter 5

Device: _____. Date of this setup: _____.

- ☐ Text size is enlarged and was tested with the parent, not only with you.
- ☐ Bold text or higher contrast is on, if it helped.
- ☐ Captions are on in video apps they use.
- ☐ Reduce motion / reduce transparency is on, if animation was a problem.
- ☐ No more than five icons are on the first screen.
- ☐ The device has a permanent charging spot and a stand.
- ☐ The parent can plug it in.
- ☐ Passcode or unlock method works in their hands, and a recovery plan is written in the binder, with their agreement.
- ☐ A family helper's access, if any, was explained to the parent.
- ☐ A photo of the Settings path is saved for remote help.
