Home Safety Calendar

When	Task	Owner	Last done
Every visit	15-minute walk-around; pill pack check		
Per manufacturer and fire code	Smoke and carbon monoxide alarm testing and maintenance		
Company's schedule	Medical alert button test; camera and sensor alerts reach phones		
Monthly	Check flashlights, power bank, File of Life; look at walker tips and grab bars		
Spring	Cooling plan; air conditioning check; go-bag rotation; contacts update		
Spring and fall	Review escape plan; take old medications to take-back		
Fall	Furnace, water heater, chimney service; snow removal; warming plan		
Yearly	Full walk-through, day and night		
Yearly	Medication review; fall-risk check; eye exam		
Yearly	Check alarm dates against the manufacturer's schedule; ask the fire department		
Yearly	Review camera plan, medical alert contract, "My Story" book		
After a fall, hospital stay, or big change	Walk the house again
